

For those who want a mentally healthy and happy staff!

*Adding value, building people differentiation.
...more than your ordinary Employee Assistance Program!*

Able J team of strategies topple conventional wisdom and reveal new truths in today's business world. We are a "beyond common-sense" business consulting firm that helps both local and global companies succeed at every turn.

When do employees seek Employee Assistance Program (Crisis Chaplaincy)?

- Care of elderly parents
- Divorce and separation
- Conflict in the workplace
- Relationship problems
- Parent-child conflicts
- Grief and loss
- Phase-of-life adjustments

Why do we need a marketplace chaplain?

- A violent crime occurs every minute in our country.
- There is a major property loss due to fire or theft every hour.
- There are major accidents happening daily.
- Death of a loved one or pet, divorce, lose of property or job, teen pregnancy, and health issues are some of the prevalent crisis facing people in the workplace today.
- Natural, technological, health, social and violent crimes are some of the crises happening around us today.
- These impact employees' productivity and hence the bottom line.
- One of the most significant and memorable services any employer can perform is to help those in the workplace who are hurting in a time of crisis.
- Crisis victims are in our workplaces. Able J team helps to fill in the gap.
- Victims and their family members need chaplains--friends and listeners to meet their emotional and spiritual need, and become victors and victorias

- The Crisis of Disaster
- The Crisis of Illness
- The Crisis of Crime
- The Crisis of Addiction
- The Crisis of Incarceration
- The Crisis of Grief and Loss
- The Crisis of Stress
- The Crisis of Domestic Violence
- The Crisis of School Violence
- The Crisis of Economics
