To Whom It May Concern:

As the Executive Director of the Austin Baptist Association, I ask that you consider C. Benjamin Anyacho and Able J Resources when evaluating consultants for your organization.

I have known Mr. Anyacho for over five years. In that time, I have found him to be a man of great faith and prayer. He devotes his time to connecting the City of Austin through prayer and intercession and is very good at bringing people together for a common purpose through prayer.

Mr. Anyacho has a heart for those he serves and seeks the greater good in all situations. I believe Mr. Anyacho would be an asset to your organization as a consultant.

If you have specific questions, please feel free to contact me via the information below.

With Regards,
